

Polished Flange Titanium Ring For Oil Drilling Equipment Rust Proof

Our Product Introduction

for more products please visit us on titanium-part.com

Basic Information

- Place of Origin: China
- Brand Name: CDX
- Certification: ISO9001:2015 certification
- Model Number: CDX-TH-005
- Minimum Order Quantity: 1 piece
- Price: Negotiable
- Packaging Details: plastic paper inside, plywood case outside
- Delivery Time: 5-35 working days
- Supply Ability: 500 piece/week

Product Specification

- Product Name: Titanium Flange Ring Titanium Ring For Oil Drilling Equipment
- Application: Oil Drilling Equipment
- Diameter: DN20- DN1500
- Dimensions: Customized
- Surface: Polished , Machined
- Advantage: Waterproof And Rust Proof
- Highlight: **Polished Flange Titanium Ring, Oil Drilling Equipment Titanium Ring, Rust Proof Titanium Forged Ring**

Product Description

Titanium Flange Ring Titanium Ring For Oil Drilling Equipment

industry, oil drilling equipment use titanium ring
titanium forged ring with big size for industry using

| | |
|--|---|
| Tolerance | +/-0.01mm |
| Standards | ASTM B381 ASME SB381 ASTM B348 |
| Quality control | Ultrasonic testing & material test report & Visual Inspection |
| ring surface | RF, FF, MFM, TG, RJ etc |
| size | DN10- DN1500 |
| Services: CNC , machining, turning, milling, stamping, casting, drilling, grinding, threading etc. | |
| Process titanium parts according sample or drawing. | |
| Welcome OEM, ODM ! | |

| Machinable materials | titanium major |
| Whether To Micro-machining | Micro machining |
| Custom Attributes/processing Methods | 100% CNC Machining/Lathe Turning |
| Quality Control | 100% Inspection |
| Service | 24hours Online |

Quality & Inspection:

1. 100% inspection of verify material grade.
2. Dimension controlling during fabricating and finished.
3. All of the products have been 100% tested before shipping.
4. Packed in Fumigation-free plywood box.
5. Third party inspection available.

Provide titanium flanges and matching titanium rings, titanium pipe fittings
 Welcome custom machining of titanium products
